

- What are the biggest challenges you are experiencing in this course?

Maybe the video is too try? Text material works battery than video material.

- What steps can you take to help you overcome these challenges?

Fasten video speed to 2 and more.

- Which resources have helped you the most, and what additional resources did you wish you had?

Google for everything.

- What could the course staff do to support you with overcoming your biggest challenge?

More text based module on Canvas.
